ORGANIZATION**

"Empowering women to make life-affirming choices and finish their education."

WeCare4NIU Organizational Goals

- Connect NIU students to the caring support services available at We Care Pregnancy Clinic including free pregnancy testing and limited obstetrical ultrasounds.
- Show love and compassion to all students, regardless of ethnicity, religion, sexual orientation or gender identity, who are facing an unplanned pregnancy.
- Inform students about the risks and possible consequences of being sexually active and how to avoid sexual risks.
- Participate in raising support and awareness for We Care Pregnancy Clinic and the people they serve.

Things to Expect with Membership

- Meet once per semester for free food, a tour of We Care Clinic, and for collaborative discussion with like-minded college students.
- Help staff information tables once a month, hand out free pregnancy tests and post flyers around campus.
- Participate in NIU events like fall Student Involvement Fair and the spring Wellness Fair.
- Share with your community about We Care and the services provided to the men and women in DeKalb and Ogle Counties.

Volunteer Opportunities at Our Clinic

- We offer year-round volunteer opportunities at We Care Pregnancy Clinic. Many volunteer opportunities offer flexible timing and duration to fit your busy schedule.
- Most volunteer positions require a background check. Some opportunities have age and training requirements.
- We would love to discuss ways you can join our mission to empower women to make life affirming decisions. To learn more or for more information, please call 815.748.4242 or email us at:
